### **CITY OF SAGINAW LAUNCHES NEW ONLINE EMPLOYMENT APPLICATION PROCESS**

**August 21, 2018 SAGINAW, MI** –The City of Saginaw will now offer an easy, online way to apply for job opportunities with the City of Saginaw. Interested applicants can now apply online at [www.saginaw-mi.com/jobs](http://www.saginaw-mi.com/jobs) .

The City launched its new online employment application and applicant tracking system, NEOGOV, on August 21, 2018. NEOGOV is the nation's largest provider of cloud-based talent requisition and management software for the public sector.

The new on-line system is user-friendly and allows both internal and external job candidates to create an applicant profile in the system. Once the applicant has entered a profile in the system, this profile can be used to apply for other positions with the City of Saginaw as they become available. Candidates will be able to use any personal computer or other mobile device to apply. The new on-line system will allow for the electronic submission of resumes, transcripts, certificates, and other applicant-related materials. In addition, candidates will be notified of their application status via email or

they can log in anytime to check on the status of their application. Current City of Saginaw employees will also be able to create a profile and apply for both external and internal only job openings.

With this new mutually beneficial system, the city has a quick and cost efficient way to identify and hire qualified candidates. Dennis Jordan, Director of Human Resources, commented on the new web-based application system, “The City of Saginaw offers careers in a variety of job categories with excellent pay and benefits. Our goal is to accumulate a qualified talent pool and match the right person to the right position, while improving the overall candidate experience.”
