PROCLAMATION IN MEMORY OF CHARLES E. DUNN

WHEREAS, On behalf of the Saginaw City Council, we offer our warmest condolences and heartfelt sympathy to the family of Mr. Charles E. Dunn, whose life came to a close on December 18, 2013; and

WHEREAS, Charles began his career with the United States Postal Service as a substitute postal clerk in 1948, and worked his way up the ranks, becoming the first African American MSC Director in the City of Saginaw, where he was responsible for processing and transporting all incoming and outgoing mail for Saginaw, 94 other post offices of the Sectional Center, as well as the management of all of those offices until his retirement; and

WHEREAS, During his tenure and after his retirement, he served on many boards too numerous to list herein, but which would include in part the United Way, First Ward Community Center, Boy Scouts, Lions Club, the Literacy Program, as well as a mentor to many young people; and

WHEREAS, Charles Dunn demonstrated a dedication to the best interests of the community, and he justly earned the respect, admiration and high regard of all with whom he came into contact; and

WHEREAS, He was a faithful member of Bethel A.M.E. Church, where he served as both a trustee and a steward. Charles was an avid gardener, masterful culinary artist, and enjoyed reading and photography. He will be remembered by family and friends as a man with absolute integrity, a man of humility and a role model to all.

NOW, THEREFORE, BE IT RESOLVED, that the Saginaw City Council, speaking on behalf of all our citizens, hereby goes on record as recognizing and honoring the great outstanding achievement and contributions made by Charles E. Dunn to the City of Saginaw.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the City of Saginaw to be affixed this 6th day of January in the year of our Lord two thousand fourteen.

From: Timothy Morales, Interim City Manager

Subject: Environmental Systems Research Institute Annual GIS Software Maintenance Fee

Prepared by: Jeff Kloplic, Technical Services Department

Manager's Recommendation:

I recommend that a purchase order be approved and issued to Environmental Systems Research Institute (ESRI), in the amount of \$2,000 for annual software renewal for maintenance and support. ESRI is the provider of software for the City of Saginaw's GIS Division.

Justification:

Personnel from GIS, Engineering, Inspections, Public Services, Assessing, Police and Fire utilize GIS software on a daily basis. Software utilization includes the Weed Abatement program, Saginaw Fire View, Police Crime View, and Public Utilities viewer. In addition to purchasing the software, an additional annual renewal maintenance fee is required to receive all new upgrades for the software licenses and phone support.

The maintenance fee was \$6,200 in fiscal year 2012. There has been a \$4,200 decrease in fees, due to the removal of software licensing.

This vendor meets all requirements of §14.23, "Vendors", of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing", of Title 1, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for this purchase are budgeted and available in the Technical Services, GIS Operating Services, Account No. 650-1738-805.000.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation of the City Manager.

From: Tim Morales, Interim City Manager
Subject: Disinfection Byproduct Analysis
Prepared by: Amanda Kiel, Water and Wastewater

Manager’s Recommendation:

I recommend that a purchase order be approved and issued to KAR Laboratories, Inc. in the amount of \$12,000 for disinfection analysis for Fiscal Year 2014.

Justification:

The Water Treatment Plant is currently performing trihalomethane and haloacetic acid analysis under the Stage 2 Disinfectants/Disinfection Byproduct Rule. One year of data has been gathered with participation by each wholesale customer of the water system. Additional testing is needed to determine the best options for controlling the formation of disinfection byproducts. The water treatment plant will perform additional trihalomethane analysis through KAR Laboratories, Inc. to monitor the formation of this disinfection byproduct throughout the pumping and treatment process. Samples will be collected at Junction Pumping Station, Plant Raw and Plant Tap locations. Data collected will be used to develop a model that predicts disinfection byproduct levels at various pumping and treatment process stages and will allow for operational changes to minimize formation of disinfection byproducts and assure future regulatory compliance.

Three quotes were compared to standard Michigan Department of Environmental Quality (MDEQ) pricing. All the labs listed are certified by the MDEQ. KAR Laboratories, Inc. is the low quote at a price of \$45 per sample plus \$12 per week shipping. The samples will be shipped weekly in one package, thus the maximum amount of shipping costs per week is \$12. If we went to the next lowest quote with shipping included, we would be paying for shipping on each sample even if they were all shipped in one package, for example – the cost to ship 3 samples to KAR Laboratories would be \$147.00 (\$135.00 for the analysis plus \$12.00 for the shipping) versus the cost to ship 3 samples in one package to Underwriters Laboratories would be \$150.00. Following is a tabulation of the quotes received:

KAR Laboratories, Inc. Kalamazoo, MI	\$45/sample + \$12/week shipping
Underwriters Laboratories, Inc. South Bend, IN	\$50/sample Shipping Included
National Testing Laboratories Cleveland, OH	\$58/sample \$10-25/week shipping

MDEQ Drinking Water Lab
Lansing, MI

\$65/sample
Shipping Not Included

This vendor meets all requirements of §14.23, "Vendors", of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing, of "Title 1, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for this purchase are available in the Water Operation and Maintenance Fund, Treatment and Pumping Divisions Operating Services Account No. 591-4730-861.805-000.

From: Timothy Morales, Interim City Manager

Subject: Facilities Division - FEMA – DR-4121-MI Grant Agreement

Prepared by: Bruce Caradine, Public Services Department

Manager’s Recommendation:

I recommend that the FEMA DR-4121-MI Grant Agreement Package (“Agreement”) with Federal Emergency Management Agency (“FEMA”) be approved. The Agreement will terminate on December 31, 2014. The Agreement has been approved by me as to substance and the City Attorney as to form. I further recommend that the Director of Public Services or his designee be authorized to sign the Agreement and any other related documents.

Justification:

The purpose of this grant agreement is to provide supplementary financial assistance for disaster relief in the eligible areas within the state including funds for emergency and permanent work for the replacement of a west side riverfront dock ramp.

The President of the United States declared a disaster for certain areas of the State of Michigan on June 18, 2013. This disaster declaration is a result of damage from flooding during the period of April 16 through May 14, 2013. The President declared the impact of the flooding to be of sufficient severity and magnitude that is beyond the combined capabilities of state and local government to respond.

The proposed Agreement with FEMA is for the purpose of the City of Saginaw’s project being approved by FEMA under disaster DR-4121-MI, declared June 18, 2013. Disaster recovery work for which federal funds have been approved is subject to a December 31, 2014 completion date.

The City of Saginaw will be reimbursed 75 percent of the total eligible project by the Federal Government upon successful completion and verification of the ramp replacement.

Reimbursement and close-out procedures will be followed as required and shown within the Agreement.

The grant agreement and all required documentation must be completed, signed and returned to FEMA no later than January 14, 2014.

FEMA Project Work application ID for the City of Saginaw is: 145-70520-00 in the amount of \$23,620 for using contract labor and equipment to furnish and install one of the west side dock aluminum gangway dock ramps that was destroyed during the flood in the spring of 2013.

Project cost shall be met in part by the contributions from the federal government. FEMA funds shall be applied to eligible items of the project cost at the established federal participation ratio equal to 75%. The balance of the project cost, after deduction of the federal funds will be the sole responsibility of the City of Saginaw. FEMA Funds will pay \$17,715 and the City's estimated share is \$5,905. The City is responsible for any cost overruns in excess of \$23,620.

FEMA meets all requirements of §14.23, "Vendors", of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing", of Title 1, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for the City's share are budgeted in the General Fund – Department of Public Services – Facilities Divisions, Repairs and Replacements Account No. 101-7575-974-000.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation of the City Manager.

From: Timothy Morales, Interim City Manager
Subject: Right of Way Division - Annual Supply of Sweeper Brooms
Prepared by: Don Riley, Public Services Department

Manager's Recommendation:

I recommend that an annual purchase order for Fiscal Year 2014 be approved and issued to Old Dominion Brush Co. (ODB) in the amount of \$18,170 for an annual supply of sweeper brooms for the Right of Way Division. This same amount will be budgeted in Fiscal Year 2015.

Justification:

On August 6, 2013, bids were received from six vendors for two-year supplies of replacement gutter and main brooms that will be used on the sweeper fleet to maintain City streets. Through in-use testing of requested samples, we have determined the ODB brooms, gutter and main, to have an extended wear life when compared to the samples provided by M-B Companies. The extended wear life reduces the equipment downtime and the labor associated with more frequent broom changes. These brooms are being purchased for inventory as replacements when needed. A cost comparison shows a 1.6% increase from the previous purchase in Fiscal Year 2012.

The following is a tabulation of the bids received:

<u>Vendor</u>	<u>FY 2014</u>	<u>FY 2015</u>	<u>2-Year Total</u>
M-B Companies New Holstein, WI	\$17,710.00	\$17,710.00	\$35,420.00
ODB Co. Richmond, VA	\$18,170.00	\$18,170.00	\$36,340.00
Bell Equipment Co. Lake Orion, MI	\$18,700.00	\$18,700.00	\$37,400.00
Newark Brush Co. Springfield, NJ	\$21,200.00	\$21,200.00	\$42,400.00
Jack Doheny Co. Northville, MI	\$24,100.20	\$25,025.00	\$49,125.20
Lacal Equipment Jackson Center, OH	\$28,335.40	\$30,224.60	\$58,560.00

ODB Co. meets all requirements of §14.23, "Vendors", of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing", of Title 1, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for this purchase are budgeted in the Motor Pool Operation Fund – Motor Vehicle Supplies Account No. 661-4480-742.000, and will be accounted for in the Motor Pool Operation – Parts Inventory Account No. 661-0000-110.001. Funds will be budgeted in the same accounts for the Fiscal Year 2015 budget.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation of the City Manager.

From: Timothy Morales, Interim City Manager
Subject: Right of Way Division - Replacement Plow Truck with Salter
Prepared by: Don Riley, Public Services Department

Manager's Recommendation:

I recommend that a purchase order be approved and issued to Tri County International Trucks, Dearborn, MI at the state bid price of \$152,377 for the purchase of a 2015 International 7400 SFA equipped with plows and salter as specified.

Justification:

The Streets Section of the Right of Way Division is replacing a 2000 GMC 8500 forward control plow truck with salter that has over 47,000 miles and was scheduled for replacement in 2010. This is one of twelve front line plow and salt trucks, which must be maintained in a ready condition as it is relied upon during snow events to maintain the City's over 300 lane miles of paved streets and state highways. Further uses include hauling and pulling various materials and support equipment. It has extensive wear, rust, and fatigue to the body, frame, and driveline, along with mechanical issues that make this unit expensive to maintain in a daily use condition. Operating efficiency, operator safety, and loss of productivity due to down time contributes to the need to replace this piece of equipment. This purchase will be made using state bid pricing.

Tri County International Trucks meets all requirements of §14.23, "Vendors", of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing", of Title 1, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for this purchase are budgeted in the Major Street Fund – Routine Maintenance Divisions, Vehicles Account No. 202-4651-982.000.

Moved by Council Member _____, seconded by Council Member _____ to adopt the following resolution:

WHEREAS, Fullerton Tool Company, Inc. did on December 3, 2013, submit an application for an Industrial Facilities Tax Exemption Certificate as provided by Act 198, P.A. of 1974, as amended, hereinafter referred to as the Act; and

WHEREAS, the Council has carefully considered said application and all information pertinent thereto.

NOW, THEREFORE, BE IT RESOLVED, that the Council hereby finds and determines as follows:

1. The Council of the City of Saginaw on June 18, 1990, on the request of Fullerton Tool Company, Inc., and on the initiative by the City Council of the City of Saginaw did lawfully establish in the City of Saginaw, an Industrial Development District pursuant to the Act, said district comprising that certain parcels of land in the State of Michigan, County of Saginaw and City of Saginaw of which is on file in the City Clerk's Office.

2. Upon receipt of the above-mentioned application for an Industrial Facilities Tax Exemption Certificate from Fullerton Tool Company, Inc., the City Clerk did notify in writing the Assessor of the City of Saginaw and the legislative body of each taxing unit which levies ad valorem property taxes in the City of Saginaw, this being the governmental unit in which the facility for an Industrial Facilities Tax Exemption Certificate is sought to be located, said taxing units being the Public Libraries of Saginaw, Delta College, Saginaw Intermediate School District, Saginaw Board of Education, Saginaw County Board of Commissioners and Saginaw Transit Authority Regional Services, enclosing a copy of the above-described application for Industrial Facilities Tax Exemption Certificate and notifying each that it would be given an opportunity to be heard on this matter by the Council at its regular meeting on Monday, January 6, 2014 at 6:30 p.m. in the City Hall Council Chamber, 1315 S. Washington, Saginaw, Michigan.

3. The Council has on this date and earlier in this meeting afforded Fullerton Tool Company, Inc., the Assessor of the City of Saginaw, and a representative of each affected taxing unit an opportunity for a hearing on the above-mentioned application for Industrial Facilities Tax Exemption Certificate, and the Council has given due consideration to all information presented at said hearing.

4. The City Assessor has heretofore determined and furnished to the Council the value of the property to which the above-mentioned application pertains, the aggregate state equalized valuation of real and personal property which would be exempt from ad valorem taxes under the Act in the City of Saginaw after granting the above-petitioned Industrial Facilities Tax Exemption Certificate and the sum of the state equalized valuation of the City of Saginaw and the aggregate state equalized valuation of real and personal property exempt from ad valorem taxes under the Act in the City of Saginaw.

5. Construction of the facility or installation of machine and equipment, which is the subject of the above-mentioned application, was not begun earlier than 6 months before the filing of the application for the Industrial Facilities Tax Exemption Certificate.

6. The application filed for the certificate indicates that ten new jobs will be created, and 150 current jobs will be retained, in the City of Saginaw, this being the community in which the facility is situated.

7. The aggregate state equalized valuation of real and/or personal property exempt from ad valorem taxes under the Act in the City of Saginaw after granting the Industrial Facilities Tax Exemption Certificate applied for will not exceed 5 percent of an amount equal to the sum of the state equalized valuation of real and/or personal property exempt from ad valorem taxes under the Act in the City of Saginaw.

8. Granting of the Industrial Facilities Tax Exemption Certificate considered with the aggregate amount of certificates previously granted and currently in force under Act No. 198 of the Public Acts of 1974 and Act. No. 255 of the Public Acts of 1978 shall not have the effect of substantially impeding the operation of local government or impairing the financial soundness of any unit of local government.

9. The aforementioned application complies in all respects with the applicable provisions of the Act, and all actions and proceedings necessary for the approval of said application by the Council of the City of Saginaw have been accomplished as required by said public act.

10. As part of the aforementioned application, Fullerton Tool Company, Inc. has entered into an Industrial Facilities Tax Abatement Agreement with the City of Saginaw setting forth the terms and requirements of the company as part of the City's approval of the certificate.

BE IT FURTHER RESOLVED, that the Council of the City of Saginaw does hereby approve the above-described application of Fullerton Tool Company, Inc., 121 Perry Street, Saginaw, Michigan, for an Industrial Facilities Tax Exemption Certificate for a period of 12 years.

From: Timothy Morales, Interim City Manager
Subject: Endorsement of the Central City Local Historic District
Prepared by: Bill Ernat, Development of Community Services

Manager's Recommendation:

I recommend support for the Historic District Commission in their pursuit of creating the Central City Local Historic District. Adopting this resolution is the first step in their efforts to create this district.

Justification:

The Michigan State Housing Development Authority ("MSHDA") and the State Historic Preservation Office ("SHPO") commissioned ICF International to conduct a study in the Saginaw City Central Historic District as part of the Neighborhood Stabilization Program (NSP2). The study was completed to evaluate the District by determining the status of the buildings in the district, and whether or not any of the buildings could be demolished or rehabilitated as part of NSP2. MSHDA also requested that once the study was completed, the City would begin the process to create a local historic district. The purpose of creating a local historic district is to provide the historic district commission with design review authority to protect designated resources. A map of the proposed district is attached.

The creation of a local historic district is a nine step process, with the adoption of the resolution to approve the study being the first step in the process. This resolution will also satisfy step two by identifying the study committee for this district. This study group will also be used as the study group for future local historic districts. For your review, attached is an outline that identifies this process. It should be noted, that while this is the first step in the process, steps 3-5 have been completed by ICF International as part of their research for MSHDA. However, before this process can proceed further, the City Council must adopt this resolution to support the creation of the local historic district.

Should the City Council adopt the resolution to create a local historic district, notification to state and local boards and agencies will be issued. This will be followed by a public hearing, in which all the property owners within the proposed district will be notified by mail. Ultimately, the property owners will have to vote to approve the creation of the local historic district. After that occurs, the City Council will adopt an ordinance to create the district.

Adopting this resolution is the first step of many to create the local historic district, which will include public notices, public hearings, and a vote of support by the property owners of the proposed district.

PROCESS FOR ESTABLISHING A LOCAL HISTORIC DISTRICT

- I. Obtain resolution from local unit of government to conduct a historic district study
Achieved with this resolution.
- II. Appointment of a historic district study committee
Achieved with this resolution.
- III. Complete a historic resource survey: Photographic inventory and historic research
Completed by ICF International as part of NSP2.
- IV. Evaluate the resources in the proposed district
Completed by ICF International as part of NSP2.
- V. Prepare a preliminary historic district study committee report
Completed by ICF International as part of NSP2.
- VI. Transmittal and review of the preliminary study committee report
Copies of the document must be sent to: City Planning Commission, State Historic Preservation Office, the Michigan Historical Commission, and State Historic Preservation Review, which will be completed after the resolution has been adopted.
- VII. Public Hearing
Public hearing is held at least 60 days after the reports are submitted to the above agencies. Property owners within the district must be notified at least 14 days prior to the public hearing. Explanation of the historic district as well as the benefits and drawbacks of the district are explained.
- VIII. Prepare the final historic district study committee report and draft historic district ordinance
Within one year of the date of the public hearing, the historic study district committee shall prepare a final report that incorporates all the comments from the public and four agencies to which the report was officially transmitted.
- IX. Adoption of the historic district ordinance and appointment of the historic district commission
Not less than 60 days after a majority of the property owners within the proposed historic district, as listed on the tax rolls, have approved the establishment of the historic district pursuant to a written petition, the City Council shall pass an ordinance establishing a contiguous historic district.
