From: Timothy Morales, City Manager
Subject: FY 2018 Mid-Year Personnel Complement Changes
Prepared by: Beth Carson Church, Assistant Human Resource Director

Manager's Recommendation:

I recommend approval of the following mid-year changes to the 2017 – 2018 Personnel Complement as reflected in the attached sheet. Such changes stem from efforts to structure employee job duties and responsibilities in such ways as to continue the delivery of City services while monitoring costs as appropriate.

Justification:

Each job vacancy is examined by the Management Review Team to ensure it is filled at an appropriate staffing level with an appropriate wage. In addition, the Team continuously examines current staffing within departments and recommends staffing changes as needed. The result of such recent activity is an overall recommended staffing increase of 1 full-time employee with an overall wage cost impact of \$38,732. A minor amount of \$911 results from an increase in the Federal Minimum Wage effective January 1, 2018. Only \$11,639 of this total wage impact pertains to the General Fund.

Council Action:

Motion to approve the recommendation of the City Manager.

Subject: MERS Defined Benefit Plan Surplus Division Adoption Agreement
Prepared by: Dennis Jordan, Director of Human Resources

Manager's Recommendation:

I recommend approval of the Adoption Agreement with Municipal Employees' Retirement System (MERS) for the purpose of establishing an account to apply additional contributions to offset future unfunded liabilities.

Justification:

The City of Saginaw is responsible for the funding of the defined benefit retirement plan for eligible current employees and eligible retirees of the City of Saginaw.

All plan assets are held by the Municipal Employees' Retirement System. MERS manages the investments, is the record keeper, and administers the pension benefits.

The most recent Actuarial Valuation of the plan (December 31, 2016) indicates the plan is 55% funded (45% unfunded), with overall valuation assets of \$186,187,752 and an unfunded liability of \$155,593,958.

The Annual Required Contributions (ARC) for this fiscal year alone is \$13,000,836. These contributions will continue to increase every year as the amortization schedule (time frame) to pay off the normal costs and unfunded liabilities continues to decrease.

To help offset those future ARC increases and maintain stable budgets in the future, the City will establish a surplus division with MERS. As funding opportunities present themselves through managed cost savings programs or increased revenues, additional contributions will be placed in this division for the purpose of either offsetting increased ARC's and/or reducing unfunded liabilities in the plan.

This is not only a proactive and responsible financial strategy for the City but it will also assist the City in complying with legislative mandates regarding unfunded liabilities in retiree healthcare and pension plans.

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions," of the Saginaw Code of Ordinances, O-1.

I have approved the MERS Defined Benefit Plan Surplus Division Adoption Agreement as to substance and the City Attorney approves as to form.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Quit Claim Deeds – 615 and 705 Johnson
Prepared by: Amy L. Lusk, City Attorney

Manager’s Recommendation:

I recommend approval of the transfer of ownership of 615 and 705 Johnson via quit claim deeds from the City of Saginaw to the Saginaw Transit Authority and Regional Services (STARS) and authorization for the Mayor to execute same.

Justification:

Approximately twenty years ago, STARS became a stand-alone authority and separated with the City of Saginaw. From review of records from the time of that separation, it appears it was the intent of the City to transfer certain real and personal property to STARS’ ownership. However, the transfer of the real property was never finalized and recorded with the Register of Deeds.

STARS administrative offices, parking lot, and main terminal are located at 615 and 705 Johnson. Both parcels are presently owned by the City of Saginaw. Quit claim deeds have been prepared transferring ownership of the real property to STARS; the deeds contain clauses stating that should the property not be used for the purposes for which STARS was created, or should STARS cease to operate or exist, all right, title and interest in the property will revert back to the City.

I have approved the deeds as to substance and the City Attorney as to form.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager

Subject: First Amendment to Delta College Purchase and Development Agreement

Prepared by: Timothy Morales, City Manager

Manager's Recommendation:

I recommend approval of the First Amendment to the Purchase and Development Agreement with Delta College, University Center, MI, for the purpose of constructing an educational facility at property located at 124 N. Franklin Street, and further recommend that the City Manager be authorized to sign the agreement.

Justification:

A Purchase and Development Agreement was executed on December 19, 2016, between Delta College and the City of Saginaw. This Agreement contains several deadlines/timeframes requiring Delta to perform specific actions by a certain date. This First Amendment to the Agreement would authorize the City Manager to extend any such deadlines/timeframes. Any such extensions would be reported to Council by the City Manager. In all other respects, the terms and conditions of the Agreement shall continue unchanged and in full force and effect.

I have approved the Agreement as to substance and the City Attorney as to form.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager

Subject: Polling Place Agreements

Prepared by: Janet Santos, City Clerk

Manager's Recommendation:

I recommend approval of the polling place agreements with the Bethel A. M. E. Church, First Presbyterian Church, and Peace Lutheran Church.

Justification:

On January 8, 2018, the City Council approved polling locations with immediate effect for all future elections. Several of the polling locations have existing polling place agreements. However, three (3) of the polling locations are new and an agreement is necessary prior to use. The three (3) new locations are Bethel A. M. E. Church, First Presbyterian Church, and Peace Lutheran Church. A polling place agreement is required by the Bureau of Elections for each polling location agency so the obligations, responsibilities and understandings of the parties in conducting elections remain clearly defined.

The Polling Place Agreements have been approved and executed by each agency. The term of each agreement will commence upon execution and includes an option to renew for one (1) year.

The City agrees to pay a rental fee of \$75.00 following each Election for the use of each facility. Funds for the rental fees are budgeted annually in the General Fund, Election Division Account No. 101-1731-945.000.

The agreements have been approved by me as to substance and the City Attorney as to form.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Renewal of LinkoCTS Software Maintenance and Support
Prepared by: Jeff Klopac, Technical Services Department

Manager's Recommendation:

I recommend approval of a purchase with Linko Technology, Inc. in the amount of \$2,070.00 for the purchase of LinkoCTS software maintenance and support.

Justification:

LinkoCTS is pretreatment software that helps monitor and control wastewater discharges from industrial sources. The software manages high volumes of data, determines industrial compliance, schedules requirements and generates necessary reports and letters. The maintenance and support will include coverage for four (4) concurrent user licenses, upgrades to newer versions, fixes, Technical Support and online training and webinars. This support covers 1/1/2018 through 12/31/2018.

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions," of the Saginaw Code of Ordinances, O-1.

Funds for this purchase are budgeted in the Technical Services Department, Information Services, Operating Services, Account No. 658-1720-805.000.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Ricoh Multi-Function Printer for the Waste Water Treatment Plant
Prepared by: Jeff Kloplic, Technical Services Department

Manager's Recommendation:

I recommend approval of a purchase with Ricoh USA in the amount of \$12,476.40 for the purchase of one multi-function copier, with \$2,495.28 in annual payments due on a five-year lease.

Justification:

The Technical Services Department conducted a copy/print study in 2011. Concluding the City would see a dramatic decrease in print related costs if it were to remove all personal desktop printers from employees' desks and replace them with multi-function printers that were shared by a group of employees. The State of Michigan bid price will be utilized.

The Waste Water Plant will be replacing a copier that is owned and is no longer able to manage the printing/copying demands of the office.

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions," of the Saginaw Code of Ordinances, O-1.

Funds for this purchase are available in the Sewer Operations and Maintenance Fund, Treatment and Pumping Division's, Operating Services Account No. 590-4830-805.000.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager

Subject: InSource Solutions Group – Annual Maintenance/support renewal and e-filing fees

Prepared by: Janet Schramke, Income Tax Administrator

Manager’s Recommendation:

I recommend approval of a purchase with InSource Solutions Group in the amount of \$16,082 for the renewal of annual software maintenance and support fees including individual withholding and e-filing services.

Justification:

The City annually renews our maintenance and support fees for InSource Solutions Group employer tax withholding services. InSource Solutions Group is the proprietary owner and sole source of electronic employer withholding tax software and secure server host. This annual renewal of maintenance and support fees is for a 12-month period and only increased \$300.00 from last year. This is the first increase in seven years.

E-filing services improve work and cash flow, by eliminating manual tasks such as opening mail, inputting tax returns and payments. Also, InSource Solutions Group is partnered with our current software provider, Innovative Software Services, Inc. to provide a secure e-filing program for all users.

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions," of the Saginaw Code of Ordinances, O-1.

Funds for this purchase are budgeted in the General Fund, Fiscal Services, Income Tax’s Operating Services Account No. 101-1745-805.000.

The Barracuda Web Filter is an integrated content filtering, application blocking and malware protection solution. It enforces Internet usage policies to web sites and internet applications that are not related to business by blocking inappropriate content, spyware and other forms of malware. This annual renewal of maintenance fees is for a 12-month period. K-Data systems had the lowest bid. There were no In-City bidders.

Funds for this purchase are budgeted in the Technical Services Department, Information Services, Operating Services, Account No. 658-1720-805.000.

Council Action:

From: Timothy Morales, City Manager
Subject: Trend Micro Enterprise Antivirus Annual Maintenance
Prepared by: Chris Seager, Technical Services

Manager's Recommendation:

I recommend approval of the purchase with CDW Government, Inc. (CDW-G) in the amount of \$2,100.80 for Trend Micro Enterprise Antivirus Annual Maintenance for the Information Services - Technical Services Department.

Justification:

On December 21, 2017, we received a quote from CDW-G for Trend Micro Enterprise Antivirus Annual Maintenance. The software covers all City desktop PC's and servers to be scanned for viruses and spyware. The annual maintenance provides support, updates and license coverage for a 12-month period. CDW-G was awarded the MiDEAL State bid contract to provide this software maintenance for governmental agencies in the State of Michigan.

From: Tim Morales, City Manager
Subject: Budget Adjustment and Carbon Monoxide Alarms Purchase
Prepared by: Christopher Van Loo, Fire Chief

Manager's Recommendation:

I recommend that a budget adjustment be completed to increase the General Fund Revenue's FEMA Account No. 101-0000-501.012 from \$0 to \$7,672. This increase in revenues is to recognize the FEMA Fire Prevention and Safety Grant that was received in September 2017. To offset this increase in revenues, the Community Public Safety, Fire, Fire Operations Division's Parts and Supplies Account No. 101-3551-742.000 will be increased by the same.

I further recommend the approval of a purchase with Home Depot of Saginaw, MI in the amount of \$8,055.84 for 312 Kidde Model C3010D Sealed Lithium Battery Powered Carbon Monoxide Alarms.

Justification:

On November 6, 2017, City Council approved a budget adjustment and purchase of 1000 carbon monoxide alarms through a FEMA Fire Prevention and Safety Grant. Due to the competitive bid process, the cost per unit for the carbon monoxide alarms was lower than was anticipated for the project. The Fire Department made the purchase of the initial 1000 carbon monoxide alarms which left a balance in the FEMA grant of \$7,741.00. The Fire Department is seeking to utilize these unused funds, pending FEMA approval, to purchase 312 additional carbon monoxide alarms with the remaining funds.

\$7,672.00 of Federal grant funds with a required 5% match of \$383.84 City of Saginaw funds will be used to fund the total purchase price of \$8,055.84.

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions," of the Saginaw Code of Ordinances, O-1.

Funds for this purchase are available in the General Fund, Community Public Safety Fire, Fire Operations Division's Parts and Supplies Account No. 101-3551-742.000.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager

Subject: Great Lakes Pet Emergencies Donation and Budget Adjustment

Prepared by: Christopher Van Loo, Fire Chief

Manager's Recommendation:

I recommend that a budget adjustment be completed to increase the General Fund Revenues Fire Donations Account No. 101-0000-674.010 from \$850 to \$2,850. This increase in revenues is to recognize a \$2,000 donation from Mr. Ryan Dowling and Dr. Jolynn Grant-Dowling of Great Lakes Pet Emergencies. To offset this increase in revenues, the Community Public Safety – Fire, Fire Operations Division's Parts and Supplies Account No. 101-3551-742.000 will be increased by the same.

Justification:

Mr. Ryan Dowling and Dr. Jolynn Grant-Dowling of Great Lakes Pet Emergencies approached the Saginaw Fire Department and offered a \$2,000 donation to the Saginaw Fire Department to be used for safety and training items that improve the health and safety of firefighters. The Fire Department will use these funds for the improvement of the Fire Department Training Facility and Health / Wellness Program.

Prepared by: Phil Karwat, Public Services Department

Manager’s Recommendation:

I recommend ratification of an emergency purchase with Above Board Remodeling LLC, in the amount of \$6,475 for the repair of the compost site pole building roof.

Justification:

On December 19, 2017 emergency purchase order No. 502727 was issued to Above Board Remodeling LLC who was the low quote, for the repair to the compost site pole building roof. The roof needed immediate repairs to limit the damage to the structure and interior, following a wind storm that tore the west half of the roof from the structure and damaged three trusses.

Above Board Remodeling, LLC Au Gres, MI	\$6,475
Spence Brothers, Inc Saginaw, MI	\$7,255

From: Timothy Morales, City Manager
Subject: Water Service Agreement with Kochville Township
Prepared by: Kimberly Mason, Water and Wastewater

Manager's Recommendation:

I recommend approval of the Water Service Agreement between the City of Saginaw and Kochville Township.

Justification:

The Water Service Agreement continues the City's policy of renewing long term water agreements with wholesale customers within the context of revenue sharing. This Agreement conditions the sale of water on securing revenue sharing agreements whereby the City will receive connection payments for new residential and non-residential developments requiring new water mains in the Township. The Kochville Township Board of Trustees approved the Agreement on November 20, 2017. The term of the Agreement is for thirty (30) years, with renewal provisions.

I have approved the Agreement as to substance and the City Attorney approves as to form.

Council Action:

From: Timothy Morales, City Manager
Subject: Urban Cooperation Agreement with Kochville Township
Prepared by: Kimberly Mason, Water and Wastewater

Manager's Recommendation:

I recommend approval of the Urban Cooperation Agreement between the City of Saginaw and Kochville Township. This Agreement is a revenue sharing component of the Water Service Agreement between the two communities, which will be executed contemporaneously with this Agreement.

Justification:

The Water Service Agreement requires Kochville Township to make payments to the City resulting from new residential, commercial, industrial and manufacturing developments within the Township. These requirements are set forth in the Urban Cooperation Agreement. The Kochville Township Board of Trustees approved the Agreement on November 20, 2017.

I have approved the Agreement as to substance and the City Attorney approves as to form.

Council Action:

Motion to approve the recommendation of the City Manager.

From: Timothy Morales, City Manager
Subject: Sulfur Dioxide (SO₂) Annual
Prepared by: Brian Baldwin, Water and Wastewater

Manager's Recommendation:

I recommend approval of a purchase with Jones Chemical in the amount of \$13,920.00 for 16 tons of sulfur dioxide for the remainder of Fiscal Year 2018, and \$26,100 for Fiscal Year 2019, pending budget approval.

Justification:

The Wastewater Treatment Plant uses sulfur dioxide to neutralize the chlorine remaining in the water after disinfection. Removal of chlorine is required under the City's National Pollutant Discharge Elimination System Permit. In July the bid to supply sulfur dioxide for the FY 2018 and FY 2019 was awarded to Alexander Chemical as the low bidder. In November, Alexander Chemical notified us that they are closing their Michigan facility and we would have to make our own arrangements for transportation from their Indiana facility. This is a breach of the terms they agreed to when they bid. We are therefore awarding the bid to Jones Chemical, the next lowest bidder.

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions," of the Saginaw Code of Ordinances, O-1.

Funds for this purchase are budgeted in the Sewer Operations and Maintenance Fund, Treatment and Pumping Division's Chemicals Account No. 590-4830-805.000 for Fiscal Year 2018 and will be budgeted in the same account for Fiscal Year 2019.

Subject: Amend the Official City Map by renaming 2nd Avenue to Roosevelt Austin Avenue

Prepared by: Michael Foust, Associate Planner

Manager's Recommendation:

I recommend that the Official City Map be amended by renaming 2nd Avenue to Roosevelt Austin Avenue. 2nd Avenue runs south from Washington Avenue to East Genesee Avenue and is broken into three sections.

Justification:

A petition was received by the City Clerk's Office on October 27, 2017, asking to rename the entire street. The petitioners requested the change to Roosevelt Austin Avenue stating that "Reverend Austin is a longtime humanitarian that has profoundly changed the lives of many people around the world, including Saginaw. He continues to serve the people of this great City." They also said that Reverend Austin served Zion Missionary Baptist Church of Saginaw for 44 years. That church is located at the northwest corner of Johnson and 2nd Avenue.

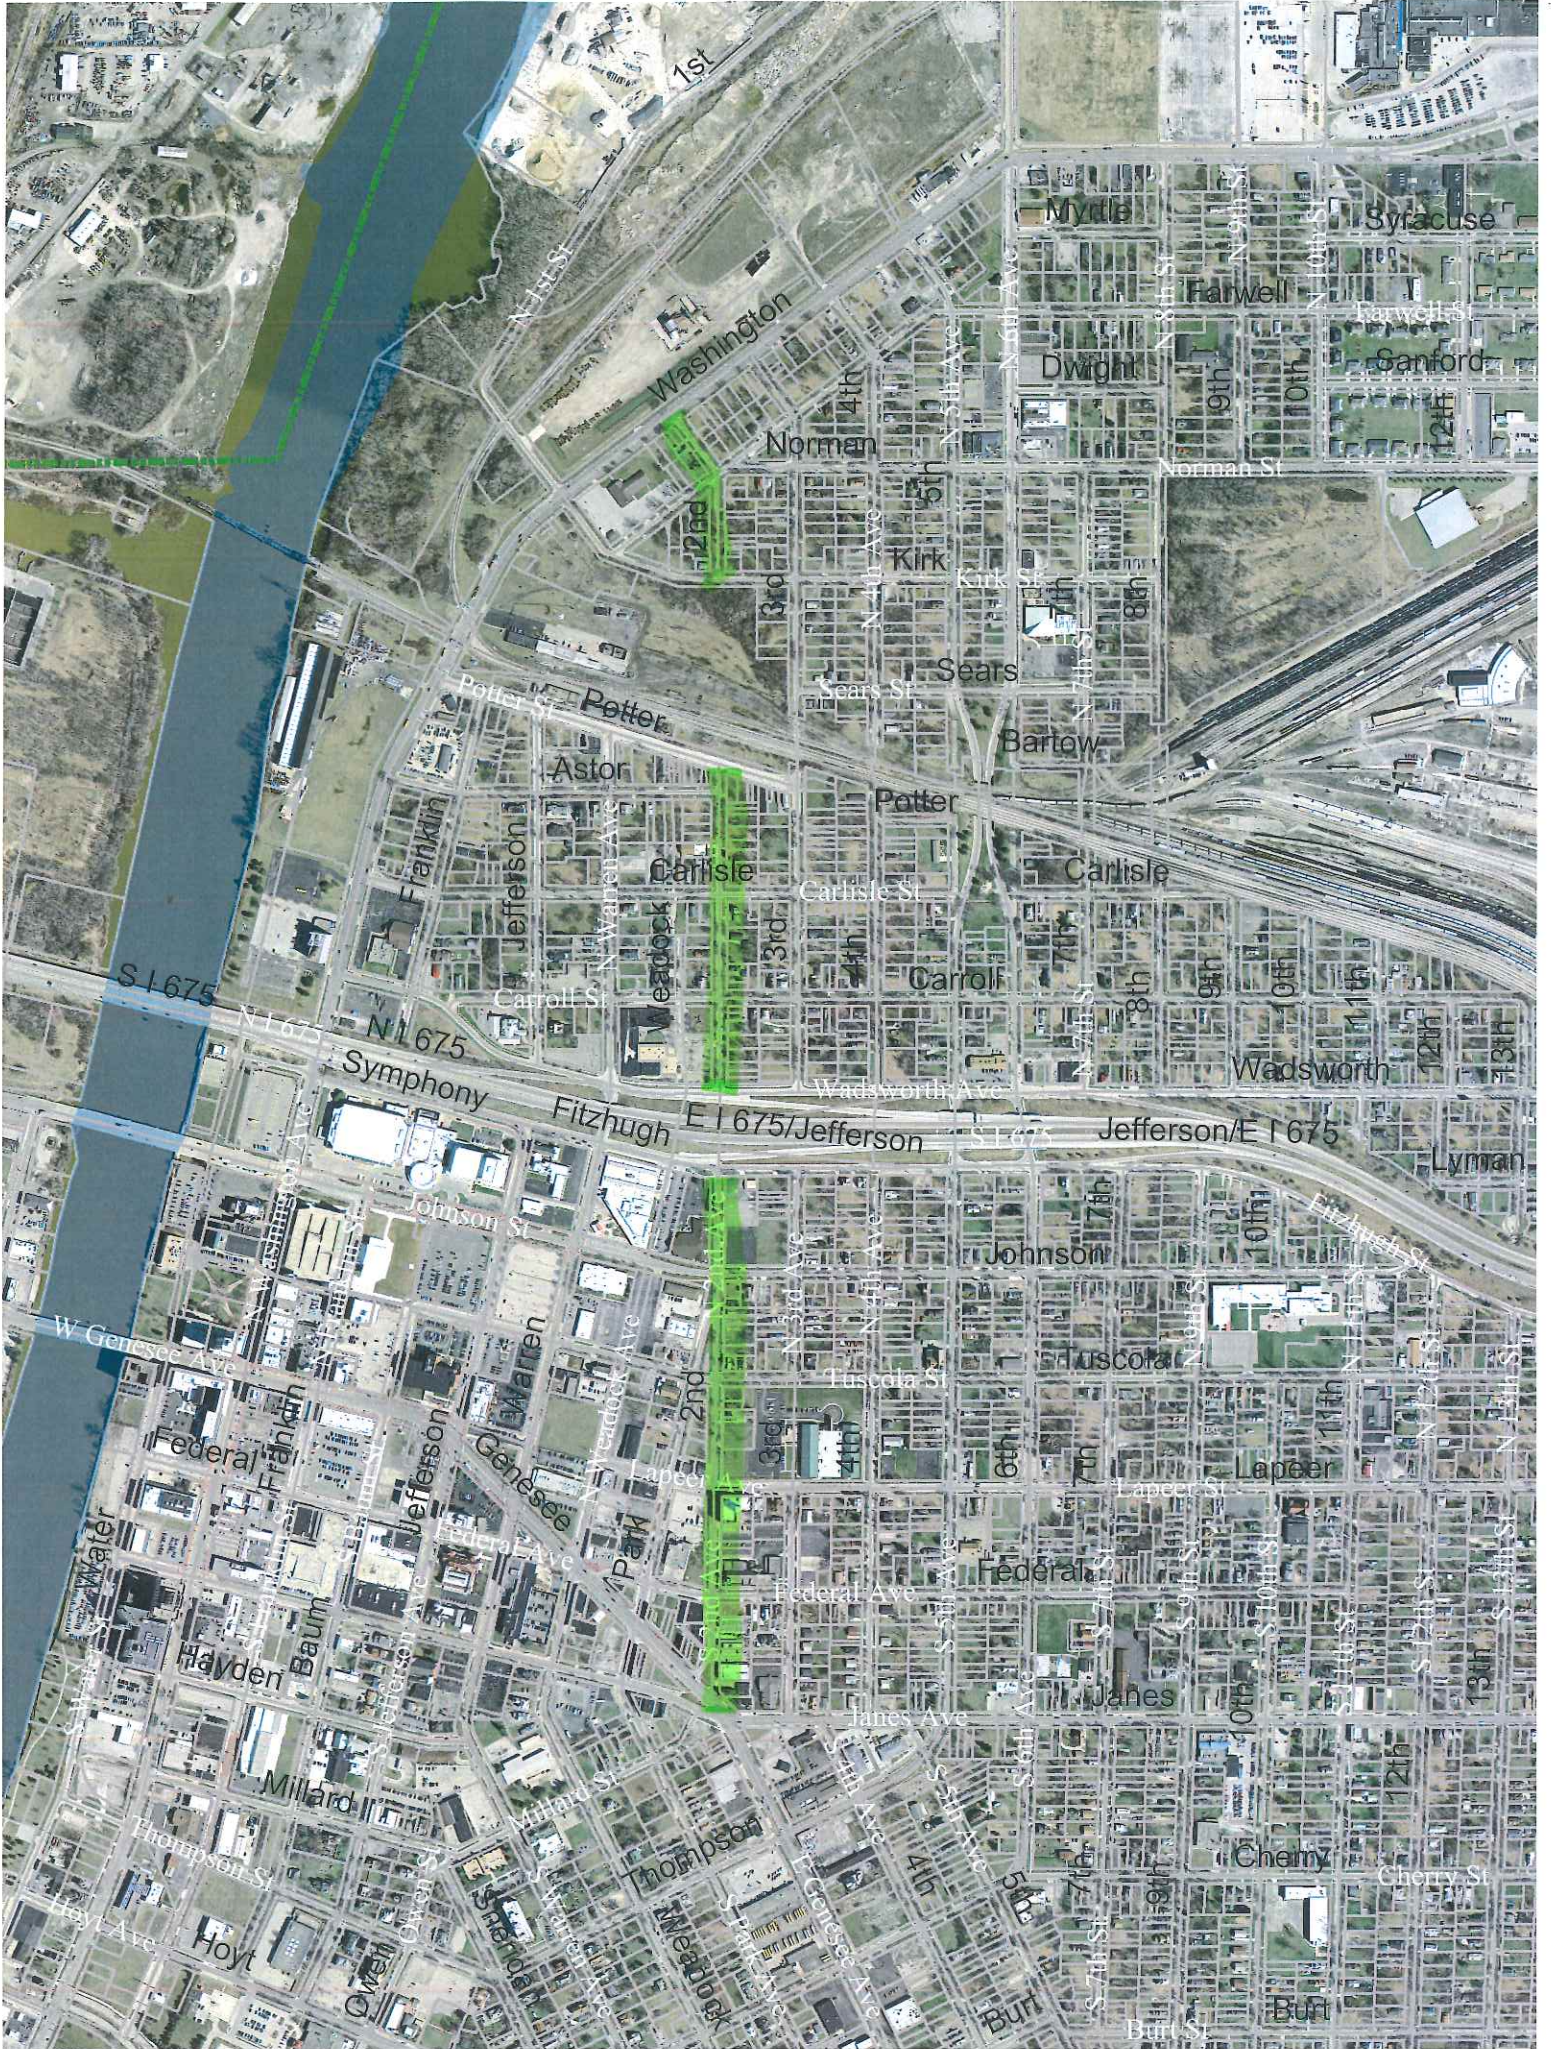

The Planning Commission, at its November 28th meeting, held a public hearing and voted, on a 4-3 vote, to recommend to Council to approve the renaming of 2nd Avenue to Roosevelt Austin Avenue.

A notice for a public hearing was placed in the November 10th edition of the Saginaw News and notices were sent to all owners of property abutting 2nd Avenue. There were two letters received in opposition to renaming 2nd Avenue, one from a resident of the avenue and one from St. John Lutheran Church at the corner of Federal and 2nd Avenue. Those were the only communications received.

The petitioners will be responsible for all costs involved in renaming 2nd Avenue. An estimate for street signs was just over \$2,500 and notice costs are approximately \$150. There will also be costs involved for changing maps which have yet to be calculated. There will be costs incurred by residents and businesses along the avenue as well as the utility companies, 911, and the US Postal Service.

Council Action:

This Council Communication is for explanation purposes of the ordinance to be introduced and enacted according to the City Chapter, Section 22, titled "Ordinances."

Moved by Council Member _____, seconded by Council Member _____ to introduce an Ordinance entitled and reading as follows:

O- _____

Section 1. That the entire length of 2nd Avenue from Washington Avenue to East Genesee Avenue be renamed Roosevelt Austin Avenue.

Section 2. That the official map of the City of Saginaw is hereby amended accordingly.

COUNCIL COMMUNICATION

From: Tim Morales, City Manager
Subject: Polling Locations Change
Prepared by: Janet Santos, City Clerk

Manager's Recommendation:

I recommend the adoption of the resolution establishing new polling locations for all future elections.

Justification:

The Election Commission (EC) and a Review Team conducted a thorough review of the current ten (10) polling locations. The review revealed the need to address concerns for precincts 1, 2, 11 and 16 due to functionality of the voting process, facility availability, and/or failure to meet the State's required standards.

The City Clerk's office conducted research of several potential polling locations that included site visits and surveys completed regarding accessibility, as required by the Bureau of Elections. Considerations were given on the precinct boundaries, logistics, community needs, accessibility and functionality.

According to MCL 168.662, the City Council is responsible for approving the location of polling places in the jurisdiction. The EC met with the Review Team on December 13, 2017 and considered the findings of the City Clerk's office. The EC approved the recommendation to the City Council to approve precinct polling locations for all future elections as follows:
