From: Timothy Morales, City Manager
Subject: 2015 Fireworks Delegation Agreement
Prepared by: Christopher Van Loo, Fire Chief

Manager's Recommendation:

I recommend approval of the 2015 Fireworks Delegation Agreement between the Michigan Department of Licensing & Regulatory Affairs - Bureau of Fire Services and the City of Saginaw Fire Department. I further recommend the City Manager or his designee be authorized to execute the agreement. The agreement has been approved by me as to substance and the City Attorney as to form.

Justification:

Public Act 256 of 2011, Sec. 11(5) and Sec. 19 allows the Michigan Department of Licensing & Regulatory Affairs (LARA) to delegate inspection duties of permanent and temporary retail fireworks facilities to local units of government / governing bodies within their jurisdiction. The delegated authority excludes certificate issuance, plan review, citation, and enforcement functions. Compensation for the delegated authority inspection duties is based on 70% of the consumer fireworks application fee paid by the applicant for facility inspection duties within the jurisdiction. This amounts to \$700 per permanent structure and \$420 per temporary structure.

The Saginaw Fire Department has six State Certified Fire Inspectors on staff available to perform fireworks facilities inspections. Performing fireworks facility inspections would have no impact on daily operations and it would cause no increase in employee costs. The fireworks delegation of authority program would provide the Saginaw Fire Department a greater awareness of fireworks facilities within our community while also providing an opportunity for the City of Saginaw receive compensation provided by the act. The number of retail fireworks facilities located within the City is a variable number due to the temporary nature of most fireworks stands. It is currently estimated that there will be between six and ten retail fireworks facilities in the City of Saginaw in 2015.

From: Timothy Morales, City Manager
Subject: Point & Pay Credit/Debit card payment transaction service agreement
Prepared by: Jeff Klopocz, Technical Services Department

Manager's Recommendation:

I recommend that the City of Saginaw enter into an agreement with Point & Pay, LLC to process credit/debit card payment transactions. This agreement was approved by the City Manager as to substance and the City Attorney as to form.

Justification:

The City of Saginaw currently has an agreement with Official Payments Corporation to process credit and debit card payments through the Internet. In August 2013, the City changed its enterprise software system to BS&A. BS&A software system is a business partner with Point & Pay, LLC and offers full integration for its card transaction services. Point & Pay, LLC will have direct integration with our cash receipts application, which will allow credit and debit card payments to be taken at the Treasury counter in addition to the Internet. The agreement is for three years, with a 60 day cancellation clause prior to the expiration of the applicable term.

The City will end its agreement with Official Payments March 1, 2015. Card payment types will include utility, tax, special assessments and income tax. There will be a three percent convenience charge with each of the payment types. All convenience fees are the responsibility of the customer. There will be no charge to the City for this service/agreement.

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

From: Timothy Morales, City Manager
Subject: Contract with Wobig Construction Co., Inc. (C-1620) - ROW Division
Prepared by: Beth London, Public Services Department

Manager’s Recommendation:

I recommend that the low bid from Wobig Construction Company, Inc. for the TF12-086 Boulder Climbing Garden and Pathway Contract, (C-1620), be accepted and a contract awarded to them in the amount of \$106,984. Contract documents have been signed by the contractor. The contract has been approved by me as to substance and the City Attorney as to form.

I further recommend that a budget adjustment be completed to increase the Celebration Park Fund – Donations Account No. 508-0000-540.003 from \$10,474 to \$14,205.98, which is an increase of \$3,731.98. This increase is necessary to recognize a donation received from the Community Foundation’s Anderson Water Park Repurposing Fund. This increase in revenue will be offset by an increase to the Celebration Park Fund – Celebration Park Division’s Construction Services Account No. 508-7580-822.000 by the same amount.

Justification:

On December 30, 2014, the City received bids for the TF12-086 Boulder Climbing Garden and Pathway. The following is a tabulation of the bids received:

Wobig Constuction Co., Inc. Saginaw, MI (In-City)	\$106,984.00
Rohde Brother Excavating Saginaw, MI (Out-City)	\$122,800.00
R.C. Hendrick and Son, Inc. Saginaw, MI (Out-City)	\$125,800.00
Gerald Bergman, Inc. Saginaw, MI (In-City)	\$142,600.00

The TF12-086 Boulder Climbing Garden and Pathway project includes the installation of various boulder climbing features, pathways, benches and trees, at the Mershon-Whittier Splash Plaza, Celebration Skate Park and playground. The design and construction of this project is primarily funded by a \$67,000 Michigan Natural Resources Trust Fund grant, a \$30,000 grant from the Community Foundation, First Merit Bank Fund, and a \$3,731.98 donation from the Community Foundation, Anderson Water Park

Repurposing Fund. The City is responsible for all design and construction costs over \$100,731.98. City Council approved the grant agreement with the Michigan Natural Resources Trust Fund for this project on February 3, 2014. Construction will be completed by March 27, 2015, per the grant agreement.

Wobig Construction Company, Inc. meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds are available and budgeted in the Celebration Park Fund – Celebration Park Division’s Construction Services Account No. 508-7580-822.000 (\$95,831.98) and the General Fund, Department of Public Services – Engineering Administration Division’s Construction Projects Account No. 101-4611-822.000 (\$11,152.02).

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.

From: Timothy Morales, City Manager
Subject: SCRC Purchase Order for Treanor Street Construction - ROW Division
Prepared by: Beth London, Public Services Department

Manager's Recommendation:

I recommend that a purchase order be approved and issued to the Saginaw County Road Commission (SCRC) in the amount of \$35,442.16 for the City of Saginaw's portion of the construction cost for Treanor Street from Williamson Street to Dixie Highway.

Justification:

The Saginaw County Road Commission completed road rehabilitation work on Treanor Street between Williamson Street and Dixie Highway this summer. The total cost of the construction work was \$677,768.65. This project was part of the FY 2013 Saginaw Metropolitan Area Transportation Study's Transportation Improvement Plan and was funded 81.85% with Federal Surface Transportation Urban Local funds, with a not to exceed amount of \$536,000.

The Saginaw County Road Commission and City of Saginaw are required to pay the remaining \$141,768.65 in construction costs. The City of Saginaw portion is 25% or \$35,442.16, based on roadway jurisdiction. The Saginaw County Road Commission is responsible for the remaining \$106,326.49. To simplify invoicing, the Michigan Department of Transportation requested that the SCRC pay the entire local match and invoice the City of Saginaw for their portion.

The SCRC meets all the requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds are budgeted and available in the Major Street Fund – Streets Projects Division's, Street Resurfacing Account No. 202-4614-821.000.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.

From: Timothy Morales, City Manager

Subject: VA Lease Amendment and Budget Adjustment – ROW Division

Prepared by: Beth London, Public Services Department

Manager’s Recommendation:

It is recommended that the Amendment to the Lease with the Department of Veterans Affairs (VA) be approved, and that the City Council authorize the Mayor or his designee to sign the Lease Amendment, and any future amendments necessary to complete the parking lot improvements. I have approved the Amendment as to substance and the City Attorney as to form.

It is further recommended that the FY 2015 budget be amended to increase the General Fund Revenues - Reimbursements Account No. 101-0000-676.000 from \$330,385 to \$381,351, which is a \$50,966 increase. This increase is necessary in order to recognize the additional revenue generated from the VA Lease Amendment. This increase in revenues will be offset by an increase to the General Fund, Department of Public Services – Engineering Administration Division’s Construction Projects Account No. 101-4611-822.000 by the same amount.

Justification:

On April 7, 2014, the Saginaw City Council approved a Lease Agreement with the Department of Veterans Affairs for the lease of a parking lot to be constructed in City of Saginaw water main right-of-way. The Lease Agreement included an approved cost of \$359,862.40 for the parking lot improvements, including design, construction and a 7% administration and overhead cost. One hundred percent of these costs will be reimbursed to the City of Saginaw by the VA, per the Lease Agreement.

Additional work not included in the original parking lot improvement costs or Lease Agreement, is required to complete the project. The extra work includes construction revisions to the driveway entrance, replacement of existing gates and fence, removal of foundry sand and new sidewalk and sidewalk ramps, and the corresponding engineering, administration and overhead costs. The VA requires that the additional work for the parking lot improvements be approved by Lease Amendment. The Lease Amendment is in the amount of \$50,965.93, bringing the new approved cost of the parking lot improvements to \$410,828.33.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.

Last year's cost savings was a total of \$7,561.15 system wide.

The City will coordinate the development of the CCR with Ms. Franklin. Ms. Franklin will coordinate the design, production and distribution of the 2014 Regional CCR.
