From: Timothy Morales, City Manager
Subject: Engineering Software and Support Subscription Renewal
Prepared by: Jeff Kloplic, Technical Services

Manager’s Recommendation:

I recommend that a purchase order be approved and issued to DLT Solutions, Inc. in the amount of \$6,229.90 for FY 2015. This software maintenance renewal and support is for the Public Services Department, Engineering Division and the Water and Wastewater Treatment Division.

Justification:

DLT Solutions is the General Services Administrations (GSA) vendor for the Federal Government. The City uses this contract for reduced software pricing. The Engineering Division uses several specialized engineering software applications developed by AutoDesk. This request renews the subscription and maintenance with support for AutoCAD, AutoCAD Map, AutoCAD Lite and AutoCAD Civil 3D. Engineering staff utilizes these software applications for all design and build projects for the City of Saginaw.

The FY 2014 annual renewal maintenance fee was \$6,075.25. The FY 2015 request is an increase of \$154.65. This increase is due to the recent purchase of two additional software licenses of AutoCAD Lite for the Water and Waste Water Department.

This vendor meets all requirements of §14.23, “Vendors,” of “Purchasing, Contracting, and Selling Procedure,” of Chapter 14, “Finance and Purchasing,” of Title I, “General Provisions” of the Saginaw Code of Ordinances O-1.

Funds for this purchase are budgeted in the Technical Services, Information Services Fund, Computer Software Account No. 658-1720-741.000.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.

From: Timothy Morales, City Manager
Subject: Microsoft Office 2013 Standard
Prepared by: Chris Seager, Technical Services

Manager's Recommendation:

I recommend approval and issuance of a purchase order to Yeo & Yeo Consulting (In-City), in the amount of \$10,347.60 to purchase Microsoft Office 2013 Standard for desktop pc's and laptops.

Justification:

On February 10, 2015 bids were received for the purchase of 40 Microsoft Office 2013 Standard licenses, which includes Word, Excel, PowerPoint, Publisher, OneNote and Web Apps. The software subscription provides support, updates and license coverage.

Please note that the preference for local bidders calculation was applied and the original results did change. The following is a tabulation of the bids received:

<u>Vendor</u>	<u>Total</u>
Ocean, Inc. Grand Rapids, MI	\$10,347.60
En Point Technologies Gardena, CA	\$10,360.00
Yeo & Yeo Consulting Saginaw, MI (In-City)	\$10,600.00
Global Gov/Ed Solutions Fletcher, OH	\$10,626.00
New Tech Solutions, Inc. Fremont, CA	\$11,200.00
Trivalent Group Mt. Pleasant, MI	\$11,206.40
Netsolutions, LLC. Detroit, MI	\$19,825.60
Next I.T. Muskegon, MI	\$27,280.80

Per Ordinance (14.26), Yeo & Yeo Consulting (In-City) was within 5% of the lowest bidder and agreed to lower their bid to \$10,347.60.

This vendor meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds are budgeted and available in the Technical Services – IS Fund Computer Software Account No. 658-1720-741.000 for this purchase.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.

From: Timothy Morales, City Manager
Subject: Project Safe Neighborhoods (PSN) Grant
Prepared by: Sienna Rendon, Community Public Safety – Police

Manager’s Recommendation:

I recommend the City Council approve the Department of Justice 2014 Project Safe Neighborhoods (PSN): Violent Gang and Gun Crime Reduction Program Grant pursuant to the Memorandum of Agreement (‘MOA’) between the Saginaw Community Foundation (Fiduciary), the Saginaw Police Department, the Michigan Department of State, the Child Abuse and Neglect Council of the Great Lakes Bay, the Saginaw County Business and Education Partnership, the Michigan Department of Human Services – Saginaw County, and the Saginaw County Land Bank Authority. The total grant award is \$500,000 for a two year period. The City’s portion of the grant is \$172,789 for two years (October 1, 2014 – September 30, 2016). This grant agreement has been approved by the City Manager as to substance. The City Attorney has no legal concerns with the acceptance of the grant.

It is also recommended that the Approved FY 2015 General Fund Revenue’s Other Federal Grant Account No. (101-0000-501.027) should be increased from \$0 to \$172,789 as follows: \$50,000 in Fiscal Year 2015; \$100,000 in Fiscal Year 2016; and \$22,789 in Fiscal Year 2017. This increase is due to the City receiving a grant from the Department of Justice that will fund law enforcement operations in reducing violent gang and gun crimes. To offset the increase in revenues, the Community Public Safety – Police Patrol Billable Overtime Account No. (101-3511-704.001) should be increased by the same and as follows: \$50,000 in Fiscal Year 2015; \$100,000 in Fiscal Year 2016; and \$22,789 in Fiscal Year 2017.

Justification:

Project Safe Neighborhoods is a strategy to reduce gun and violent gang crime in America, focusing on “hot spots” identified through crime analysis. Trained School Resource Officers (SROs) will work in conjunction with community groups to help address issues of truancy, drug abuse, physical abuse, neglect and other forms of emotional trauma that could predispose our children to drop out of school and later commit violent offenses. SROs will work closely with these partner agencies to link students and their families with the appropriate support channels.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.

From: Timothy Morales, City Manager

Subject: LexisNexis eCrash (Electronic Police Record Portal Services)

Prepared by: Sienna Rendon, Community Public Safety – Police

Manager’s Recommendation:

It is recommended that the Law Enforcement Agency Agreement between LexisNexis Claims Solutions, Inc. and the Saginaw Police Department be approved. In addition, I recommend that City Council authorize the City Manager or his designee to execute this and all similar agreements for a 36-month period beginning with an effective date of April 1, 2015, in accordance with the Agreement’s terms and conditions. The Agreement has been approved by me as to substance and the City Attorney as to form.

Justification:

The purpose of the Agreement is to establish the procedures and services provided by LexisNexis *eCrash* and to establish a communication protocol to electronically or manually transfer Crash Reports in a timely manner for processing. This software agreement is provided to the City at no cost. *eCrash* will allow Saginaw Police Officers to write accident reports online (UD-10) and to store, update, and maintain standardized data and electronic images relating to a crash incident. *eCrash* will be installed on mobile data terminals, laptops, or other application-compatible computing devices allowing access to “Authorized Requestors” who will be able to electronically request crash reports for citizens.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.

From: Timothy Morales, City Manager
Subject: Ratification of Emergency Purchase - Replacement 36" Inventory Used
Prepared by: Paul Reinsch, Public Services Department

Manager's Recommendation:

I recommend ratification for emergency purchase order #496023 and the payment to Michigan Pipe & Valve, Saginaw, MI, in the amount of \$25,250 issued on February 12, 2015 for various 36" water line inventory parts for the Maintenance and Service Division.

Justification:

On February 10, 2015, the City received quotes for the supply of 36" water line parts. Recent repairs led to a reduction of the inventory of critical parts needed for future maintenance of 36" water lines. Large diameter pipe and repair parts have a longer lead time. To minimize the length of time it would take to get the materials in stock, quotes were solicited and an emergency purchase order was issued. The quotes received were as follows:

<u>Vendor</u>	<u>Cost</u>
Michigan Pipe & Valve Saginaw, MI (out city)	\$25,250.00
Etna Supply Company Grand Rapids, MI (out city)	\$26,748.00

Michigan Pipe & Valve meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for this purchase are available in the Water Operations and Maintenance Fund – Maintenance and Service Division's Parts and Supplies Account No. 591-4721-742.000.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.

From: Timothy Morales, City Manager
Subject: Ratification of Emergency Purchase - 48" Bell Joint Repair Clamp
Prepared by: Paul Reinsch, Public Services Department

Manager's Recommendation:

I recommend ratification for emergency purchase order no. 495928 and the payment to Michigan Pipe and Valve, Saginaw, MI, a sole source, in the amount of \$5,500 issued on January 28, 2015 for a 48" bell joint repair clamp for the Maintenance and Service Division. The bid process was not utilized for reasons described below.

Justification:

On January 27, 2015, the City received a quote for the supply of a 48" bell joint repair clamp to be used on a leaking 48" cast iron water line. Michigan Pipe and Valve is the local distributor for this particular type of repair clamp and is considered a sole source.

The leak was discovered while work on another project was being performed. The source of the leak was determined to be a joint on an adjacent 48" cast iron water line. The repair was considered an emergency because no further work could be completed on the original project until the repair was made.

Michigan Pipe and Valve meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I, "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for this purchase are available in the Water Fund – Maintenance and Service Division's Parts and Supplies Account No. 591-4721-742.000.

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.

From: Timothy Morales, City Manager

Subject: Green Point Environmental Learning Center Door Replacement –
Facilities Division

Prepared by: Bruce Caradine, Public Services Department

Manager’s Recommendation:

I recommend that the low bid be accepted and a purchase order be issued to R. C. Hendrick & Son, Inc. of Saginaw, MI, in the amount of \$11,450 for replacement doors front and back (entrance) to the Green Point Environmental Learning Center.

Justification:

On February 10, 2015, three (3) bids were received for the replacement of the Front and Back entrances to the Green Point Environmental Learning Center located at 3010 Maple Street. These primary sets of doors that provide ingress and egress to the Center are in a deteriorated condition and often do not operate properly. The doors at times malfunction and prohibit occupants from inside the ability to exit the building. This is in violation of regulation Building Code 29 CFR 1910.36 (d) (1), which states – Employees must be able to open an exit route door from the inside at all times without keys, tools, or special knowledge. A device such as a panic bar device that locks only from the outside is permitted on exit discharge doors. The ability to exit the building from the inside must be maintained at all times, even when the facility is closed.

Per a 99 year lease agreement approved by City Council on January 20, 1989 between the City of Saginaw and the United States of America Fish and Wildlife Services, the City of Saginaw is responsible for maintaining the building in good repair and tenantable condition.

The following is a tabulation of the bids received:

<u>Vendor</u>	<u>Total</u>
R. C. Hendrick & Son, Inc. Saginaw, MI (out city)	\$11,450
Gerald B. Bergman, Inc. Saginaw, MI (out city)	\$14,500
J. R. Heineman & Sons, Inc. Saginaw, MI (out city)	\$21,500

R. C. Hendrick & Son, Inc. meets all requirements of §14.23, "Vendors," of "Purchasing, Contracting, and Selling Procedure," of Chapter 14, "Finance and Purchasing," of Title I "General Provisions" of the Saginaw Code of Ordinances O-1.

Funds for this purchase are budgeted and available in the General Fund – Department of Public Services, Facilities Division's Operating Services Account No. 101-7575-805.000 (\$11,450).

Council Action:

Moved by Council Member _____, seconded by Council Member _____ to approve the recommendation from the City Manager.
