

Can I recycle this?

PLASTIC PLANT POTS & TRAYS

Can I recycle this?

YES if they are marked with a **#1, #2, or #4 - #7**. If there is no number, the item should go in the trash. **Compostable plant containers and plastic markers cannot be recycled.**

Any dirt left in the trays or pots must be wiped off or knocked out before they are placed in your recycling container. Many nurseries and garden centers will also take back plastic pots for re-use.
